Subject for orders

I do not think anything can has been made out for any exceptional treatment in favour of Hassan. If that town is due from the Concession, it will have to be followed with other Dt. Hd Qr. smaller towns also.

Jekey)

5.4.1917.

The plague trouble is a real one & the opening out of entrenchments in the Dist. head quarters goes some way in preventing the dislocation of work & misery to the people which an outbreak entails.

Though I was latterly against the extension of the rule of advancing one year's pay to the five Dist. Towns (except Mysore, Bangalore & Shimoga) I now think that Govt may reasonably extend the concession not only to all Dist. Headquarters towns in the State but to other important towns as well.

Besides the interest there will be no loss

as these advances are very regularly recovered & there is good security in all cases.

I therefore recommend the extension of the one years' pay advance rule to all towns for which a regular extension scheme has been sanctioned & inaugurated.

Enclosure No.

Sir,

In reply to your letter

X K. No. 7L 4834-Gr.F. 9-16-141

dated 2nd March 1917, I have
the honor to state that I am
not aware of the ground
upon which the prayer, of
the officials of Kolar and
Tumkur for grant of house
-building advances equal
to one year's pay was rejected
But I beg again to urge
for the consideration of
Government that the condition
of the old Hassan Town
is most deplorable and
as

3)

as such it is very necessary that every encouragement should be - shown to officials desirous of building houses in the Extension.

2. The officials and the people have had to remain in sheds for 6 months year after year continuously since the first outbreak of plague after obtaining a month's advance every year to renovate the sheds. If a year's pay is sanctioned once for all, the grant of advances for sheds every year will be greatly minimised and a permanent improvement will be effected by the removal of congestion in the old town.

3. The Dewan during his visit to this place last year was convinced of the situation and I am sure that if you will be so good as to move the Government in the matter,

as

as a Special case, favourable orders will be passed. Many of the Sites in the Extension have been disposed of and those officials - that have purchased them are full of hopes of getting the advance of a year's pay, as a Similar Conces- -sion has been shown to another Malnad District. Unless the officials begin to erect houses,, private men will not be anxious to come - forward to put up buildings and the result will be that the efforts, so far made in the matter of acquisition of lands for building Sites and inducement to quit the congested localities in the town in favour of the Extensions, will all be in vain.

4. As my Recommendation is only in favour of the ministerial officers

in

in the District, the funds required for this purpose will not be large.

5. In these circumstances, I request the Government to kindly sanction my proposals contained in my letter No. 1203-mis dated 23rd January 1917 at an early date.

I have the honor to be,
Sir,
Your most obedient Servant

Deputy Commissioner,
Hissar District.
